Sandy Hook is happy to introduce a bicycle rental service to park visitors. The rental center is located at Building 60 adjacent to the Sandy Hook Light House. The center is open Wednesday through Friday 9:30 to 5:30 and Saturdays and Sundays 8:30 – 5:30 through Labor Day and weekends into the fall. Bike reservations are accepted.

The park boasts a beautiful 7-mile paved bike path along the beach and through the natural habitat. Now anyone can enjoy a long and leisurely ride with the convenience of a bike available right in the park. There is ample parking. We have bicycles in both adult and children's sizes.

Whether you want to rent a bike for the day or enjoy a quick ride before or after a day at the beach, we have bikes available for your convenience. The park has so much to offer and there's no better way to see it all than on bicycle.
